

## **False Hearted Love** (Frank Ray Nickeltown Music BMI)

Cedar Hill- Looking Back © 2008

If I Could Wonder, Through Your Mind  
Tell Me Woman, What Would I Find  
Would There Be, A Memory Of  
The Heart You Have Broken, With Your False Hearted Love

### **Chorus**

All I Have Now, Is An Old Memory  
And A Brand New Heartache, That Won't Let Me Be  
You'll Go Out Tonight, With Your False Hearted Love  
But You Won't Be The One, That You're Thinkin Of

One Day You'll Find, That Your Heart Is Cold  
There'll Be No One Beside You, When You Have Grown Old  
Your Time Will Come, But The False Memories  
And The Brand New Heartache, That Won't Let You Be

### **Chorus**
