

Heartache and Teardrops (Frank Ray Nickeltown Music BMI)

Cedar Hill – Looking Back © 2008

I Work My Fingers To The Bone
Trying To Make Here A Happy Home
But All She Gave Me Was A Troubled Mine
Heartache And Teardrops There Left Behind

Chorus

Heartaches And Teardrops No Piece Of Mind
Since She Has Left Me That's All I Find
But I Can't Hid Form Can't Run Away
Heartache And Teardrops There Here To Stay

Heartaches Are Many Tear Drops Like Rain
I Played For True Love Your Playing The Game
Now I've Been Cheated Lie To And Scorned
Your Love Is Colder That A Winter Storm

Chorus

Maybe Somewhere On Down The Line
You'll Find Another Who's Not So Kind
And Maybe Then You'll Understand
The Lonesome Feeling Of A Broken Man

Chorus
