

Stone Blind Love

When Memories Start Dancing Around You In The Dark
Don't Let No Love Kill Whats Stirring in Your Heart
Don't Be Afraid, Just Let the Blind Love In
It'll Take You To A Place You've Never Been

Chorus

It's Stone Blind Love It's The Only Kind
You Gotta Love'em With Your Heart and Not Your Mind.
It's Stone Blind Love You'll Never Get Enough
The Only Kind Of Love Is Stone Blind Love

Well I Knew From The Start That I Could Never Hold The Rein
But The Little While With You Was Worth The Pain
It's Stone Blind Love It's The Hurting Game
And Memories Are All That Will Remain

Repeat **Chorus**

You Can't Run Away And There Ain't No Place to Hide
It's A Pleasure Or A Heartache Each and Every time

Chorus

It's Stone Blind Love It's The Only Kind
Love'em With Your Heart and Not Your Mind.
It's Stone Blind Love You'll Never Get Enough
The Only Kind Of Love Is Stone Blind Love

Well The Only Kind Of Love Is Stone Blind Love
