Band Name – Title of Release © year

Chorus

Oh I Hear The Whippoorwill Callin
Driving Me Out Of My Mind
Must Know My Baby Done Left Me
Can't Hear The Whippoorwill Cry
Listen To The Whippoorwill Cry

Every Day Ya Fly Down To Greet Here
Sang Out You Whippoorwill Song
She Never Know How To Treat Ya
You Should Be Glad She's Gone You Should Be Glad She's Gone

Chorus

Oh Are Ya Think She's Be Returnin
To Hear Ya Cry To Come Back Home
You Crazy Bird Ya Know She Don't Miss Ya
You Better Settle On Being Alone
You Better Settle On Being Alone

What You Goin To Do Tomorrow
Cry Out The Same Old Tune
Why Don't You Just Fly Away With Her?
And Take Her Memory With You
And Take Her Memory With You

Chorus (2)

Oh I Hear The Whippoorwill Callin
My Heartaches A Ragin On
My Mind Says Stop This Cryin
I Will But The Whippoorwill Wont
I Will But The Whippoorwill Wont

Chorus(3)
